

BASTILLE

The defensive fence

W E L D E D F E N C I N G I N R O L L S

SECURE

The unique configuration of the BASTILLE mesh ensures a high level of security, combined with a pleasing appearance to meet environmental needs. Distinct features include: small rectangular mesh (76.2 x 38.1 mm), spiked top (25.4 mm protection) and crimped horizontal wires.

INSTALLATION

The only accessories required are the staples fixed at the intersection of the horizontal and vertical wires, ensuring the mesh is properly held on to the Univers post.

Security

Spikes of 25.4 mm.

Combined with the UNIVERS post

- A stylish high quality fence
- Choice of colours for the UNIVERS post (RAL range).

Quality

High adherence plastic coating guaranteed for 10 years.

Robust

Crimped horizontal wire.

DIRICKX

HAUTE CLOTURE FRANÇAISE
